### Objective of the Event:

The primary objective of this expert session was to:

- Create awareness about the National Board of Accreditation (NBA) process.
- Familiarize faculty members with Outcome-Based Education (OBE).
- Understand NBA criteria, documentation requirements, and best practices.
- Guide departments in effective NBA accreditation preparation and compliance.

### Description of the Event:

The Electronics and Communication Engineering Department organized an online expert session on “The National Board of Accreditation (NBA) Process” on 17/01/2026 at 02:30 PM. The session was conducted in online mode through Google Meet, with faculty members also gathering in EC Seminar Room No. 204 for collective participation.

The session was delivered by Prof. (Dr.) D. B. Jani, a senior academician and experienced NBA resource person. He provided an in-depth explanation of the NBA accreditation framework, focusing on:

- NBA philosophy and objectives.
- Outcome-Based Education (OBE).
- Program Outcomes (POs), Course Outcomes (COs), and Program Specific Outcomes (PSOs).
- Mapping of CO–PO–PSO.
- Assessment tools and attainment calculation.
- Continuous improvement and closing the quality loop.
- Common mistakes and best practices in NBA documentation.

The expert also shared practical insights based on his experience in NBA accreditation and peer team visits, which were highly beneficial to the faculty members.

### Interaction and Discussion:

The session was interactive, and faculty members actively participated by asking questions related to:

- Attainment calculation methods.
- Evidence and document preparation.
- Academic audit and action taken reports.
- Best strategies for sustaining accreditation.

Prof. (Dr.) D. B. Jani addressed all queries with clarity and provided valuable guidance.

### **Outcomes of the Event:**

- Faculty members gained a clear understanding of the NBA process.
- Improved awareness regarding OBE implementation.
- Enhanced confidence in preparing NBA documentation.
- Motivation to adopt continuous quality improvement practices.

### **Conclusion:**

The expert session was highly informative and successful. It significantly contributed to enhancing the knowledge and preparedness of faculty members for NBA accreditation. The Electronics and Communication Engineering Department expressed sincere gratitude to Prof. (Dr.) D. B. Jani for sharing his expertise and valuable time.

Subject: **Invitation to Deliver Expert Online Lecture on the National Board of Accreditation (NBA) process.**

Dear Sir,

On behalf of the E & C Engineering Department, Government Engineering College, Patan, it is my pleasure to invite you to deliver an expert online lecture on the National Board of Accreditation (NBA) process. Your distinguished knowledge and insights into the NBA process make you an ideal speaker for our audience.

The lecture is scheduled for **17/01/2026**, from **1:30 PM onwards**, and will be conducted via the **Google Meet platform**. The participants will include faculty members of the E & C Engineering Department, who are eager to learn from your expertise and engage in meaningful discussion on NBA SAR for UG TIER II institutions.

Your contribution will greatly enrich the session by providing valuable perspectives on the NBA Self-Assessment Report (SAR) criteria.

Kindly confirm your availability at your earliest convenience. The Google Meet link will be shared upon receiving your confirmation.

Please feel free to contact us at **hod.ec@gecpatan.ac.in** or **9725126006** if you require any further information.

We look forward to your positive response and to welcoming you as our esteemed guest speaker.

Warm regards,

**Devendra Patel**  
**Associate Professor & Head,**  
**E & C Engineering Department,**  
**Government Engineering College, Patan**  
**Gujarat.**
