Git-hub Club Computer Science and Engineering Department

Summary Report

Seminar Topic: Glance at Web Designing

Event Speaker: Mr. Aditya Patel, Pursuing in Bachelor of engineering CSE final year at Government Engineering College, Patan.

Highlight of event:

- On Sep 30th 2022 Code Hives (A Git-hub club) GEC Patan has organized a workshop on Web Designing.
- The workshop was conducted at Seminar Hall, CSE Department, and GEC Patan. We had selected 65 students for the workshop.
- Students started reporting at 10:15 AM to the Registration desk.
- Mr. Aditya Patel started the session with Introduction to HTML/CSS and Why it is Important for our Professional Life as well as career in web development.
- Then he explained some important Tags of HTML and also did live Practical for the Tags.
- He stated some shortcut keys for smooth coding and also shown how to debug in case of any errors. He gave a brief Knowledge about Margin, Padding for where many students and Professionals get confused.
- Then after at 12:30 we had Brunch Time and our Team provided refreshments to the attendees of the workshop as well as all Faculties of CSE Department, GEC-Patan which was sponsored by Mr. Vijay Patel.
- After Brunch Mr. Aditya Patel started explaining CSS and presented a Project Random Password Generator.
- To make session more interactive Mr. Aditya Patel, Het Chauhan and Ravi Patel solving the queries of students In Person one by one.
- After club makes its biggest announcement by choosing Ms. Ashvi Patel as the new coordinator for club to carry the legacy.
- The session was ended by taking Students Feedback for the session and suggestions for future events, so we can improve ourselves for our future events.

- Session was winded up by fruitful speech and warm of thanks to Mr. Aditya Patel by our HOD sir, Dr. H. B. Jethva and our mentor Prof. Sachin Makwana and Prof. Jay Patel.
- The code hives club organized an incredible event, led by the Mr. Het Chauhan and his team. With the guidance of brilliant prof. Sachin Makwana, prof. jay Patel, and our HOD Dr. Hari Krishna Jethva sir lit up the event with their visionary leadership.

Feedback for the Today's Session

55 responses

Today's session was Amazing, I have learnt a lot about web development that i didn't even know before.

Awesome Event

Great

Before this session i was not understand the concept of padding and margin .
But after this session i am fully understand that topic.

Good event

good experiance

It was great experience and good teacher (expert)

Good
