# Details of Navratri Celebration

Government Engineering College, Patan joyfully celebrated the auspicious festival of **Navratri** on **16th October 2023**, from **2:00 PM to 5:30 PM** within the college premises. The event witnessed enthusiastic participation from both **students and faculty members**, who came together in traditional attire, reflecting the rich cultural spirit of Gujarat.

The celebration began with a **devotional Aarti**, invoking the blessings of Goddess Durga. This was followed by energetic and colorful **Garba and Dandiya Raas** performances, where students showcased their vibrant dance moves, accompanied by traditional music that created an atmosphere filled with joy and devotion.

Professors and staff members also joined in, dancing alongside students, strengthening the bond of unity and cultural harmony across the campus. The event turned into a beautiful blend of faith, festivity, and fun.

The Navratri Celebration at GEC Patan served not only as a cultural gathering but also as a medium to refresh minds, foster community bonding, and honor tradition. The event concluded with heartfelt smiles and collective satisfaction, leaving behind memories that will be cherished by all who attended.
