# Details of Navratri Celebration

On **9th October 2024**, Government Engineering College, Patan celebrated **Navratri** with immense **devotion, enthusiasm, and cultural spirit**. The entire campus resonated with joy as **students, professors, and staff members**, along with our esteemed **Principal**, came together to celebrate the festival dedicated to **Maa Ambe**.

The celebration began with a **soulful Aarti** performed by **Principal Sir**, offering prayers to Goddess Ambe for the prosperity, peace, and well-being of all. This sacred moment set a divine tone for the celebration and filled the environment with spiritual energy.

Following the Aarti, students and faculty participated in **Garba and Dandiya Raas**, dressed in vibrant traditional attire. The rhythmic beats, colorful atmosphere, and collective spirit of celebration created an unforgettable festive experience. Everyone joined hands in joy, celebrating the cultural essence of Gujarat and paying tribute to the power and grace of the Goddess.

The event not only fostered cultural awareness but also promoted unity, positivity, and festive cheer among the GEC Patan family. It was a truly memorable day of devotion, dance, and cultural pride.

## Glimpses of the Event
