Gujarat Technological University (GTU) successfully organized a **Personality Development Training Camp 2023** from **7th May to 10th May 2023**. The camp was an initiative aimed at enhancing the interpersonal skills, confidence, communication, and overall personality of selected students from across various GTU-affiliated colleges.

From **Government Engineering College, Patan (GEC Patan)**, **two students** were proudly selected to participate in this prestigious training camp. Their selection was based on merit and active involvement in various academic and extracurricular domains.

The camp proved to be **highly productive and enlightening**, offering the students a golden opportunity to learn directly from **renowned personalities of Gujarat**, including eminent professionals, thought leaders, and motivational speakers. Interactive sessions were conducted on a wide range of topics such as:

- Public Speaking and Communication Skills
- Leadership and Teamwork
- Goal Setting and Time Management
- Stress Management and Emotional Intelligence
- Career Planning and Personal Branding

Participants were also given opportunities to **engage in group activities, panel discussions, and one-on-one mentoring** sessions that encouraged peer learning and self-reflection.

The students from GEC Patan found the camp to be **inspirational and transformative**. The chance to interact and discuss with **distinguished personalities of Gujarat** gave them deeper insights into career planning and the importance of soft skills in professional and personal life.

The presence of **industry experts and professionals** further enriched their understanding of the corporate world and equipped them with practical tools for success.

Overall, the Personality Development Training Camp 2023 by GTU was a **memorable experience** that not only helped the participants discover their hidden potentials but also prepared them to become confident and responsible individuals ready to face future challenges.

**We express our sincere gratitude to GTU** for organizing such a beneficial program and providing a platform for holistic development to its students.
