PROFESSIONAL ETHICS

When the professional ethics are compromised or breached, it has a ripple effect. Let's look at a 2014 Global Fraud Study conducted by the Association of Certified Fraud Examiners (ACFE) result on how corporate frauds:

- Every year the world loses \$3.7 Trillion, because of business fraud. The question is who commits such frauds?
- 77% of occupational frauds are committed by employees working in accounting, operations, sales, executive management, customer service, purchasing, and finance.
- 87% fraudsters are first-time offenders with clean employment histories.
