INSTITUTE GLIMPSE

Government Engineering College, Patan end searingly known as G.E.C.P is situated at the scenic village katpur Patan city. Started in 2004 with an aim of imparting quality higher education in various fields of engineering, it has seen unprecedented growth. It is affiliated with Gujarat Technological University & administrated by Directorate of Technical Education, Government of Gujarat.

From the Desk of Principal

Principal

Dr. A .B. Dhruv

I am delighted to welcome you all to the Government Engineering College Patan and I hope to convey the passion and enthusiasm that both staff and students bring to represent our college having a great tradition of developing high technical academic excellence and overall personal growth of the students. The main motive of technical education is to enrich our students to develop a ability

to reason out facts and this is achieved by giving them great scholarly climate, best in class infrastructure, well equipped laboratories, and committed and highly qualified faculty members with many years of educating and modern experience creative and field oriented teaching-learning practices along with other developmental activities.

GECP always navigating the intricate athwart ocean of science and engineering via the power of the human mind, body, and soul. Management, faculty, and staff strive to inculcate students and self-realize the harmony of human life and nature through applications of science, engineering, and technology., As this is precisely our long-term goal. It is what motivates the work of everyone from faculty and staff, to students and alumni. It inspires our teaching and research.

Institute Landmarks

Mandate

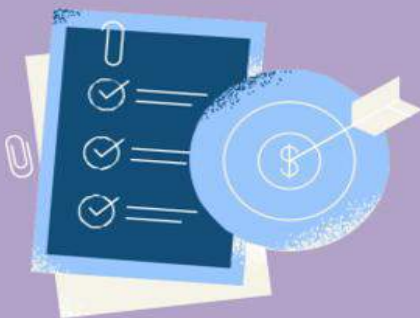

To impart the technical education as per the state and national policy which satisfy the current needs of the society, to interact with the industry and research organizations for the integrated growth, to make the liaison with statutory and professional Organizations and to provide the training and research opportunities to the student and faculties in best possible manner.

Vision

To prepare Human Resource with value based competency for technical advancements and growth of society.

MISSION

To deliver technical programs and services to cater the current needs of society and industry.

Helping industries in solving challenges by means of providing best technical human resources

To contribute in sustainable growth of society

NEWSLETTER DETAILS FOR GEC PATAN (OCTOBER-DECEMBER 2023)

1. DEPARTMENTAL ACTIVITIES

Computer Science & Engineering Department

Event : Seminar on “Key to Success”

Date: 23/12/2023

Time: 6:00 PM to 7:30 PM

Platform: Google Meet

Speaker: Cavin Macwan (Flutter developer at 7Span)

On the evening of December 23, 2023, CodeHives (Git-hub club) GEC Patan organized an enlightening workshop titled "FlutterFever." The primary objective of the workshop was to provide students with comprehensive insights into Flutter, a versatile framework for modern app development. The session, conducted on the Google Meet platform, featured Cavin Macwan as the distinguished speaker.

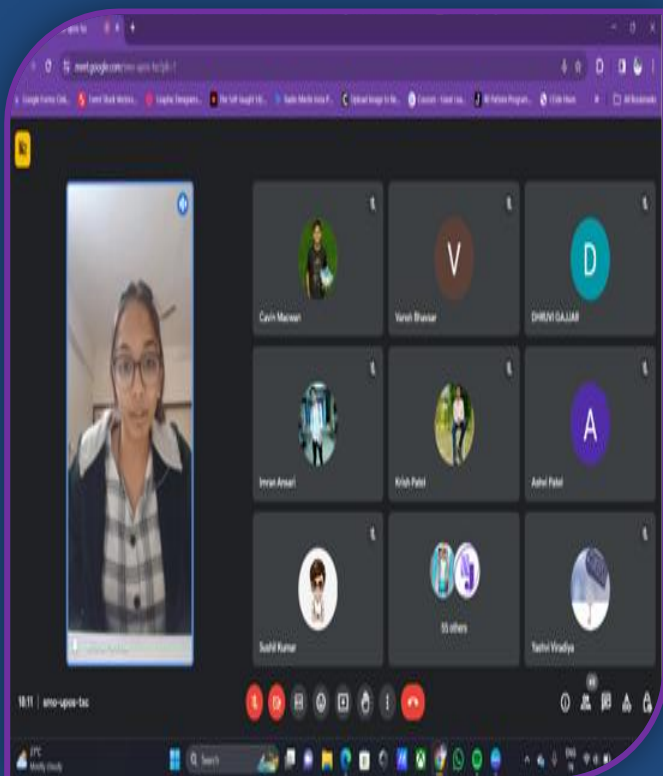

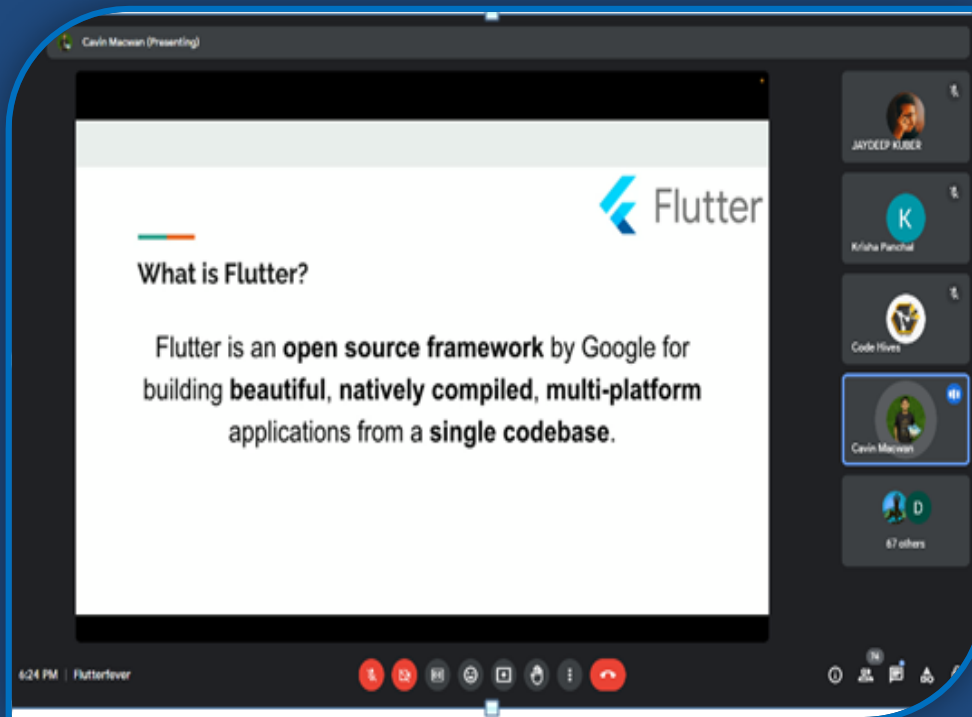

Event Highlights:

- **Inauguration:** The workshop began with a warm welcome to participants, setting the tone for an engaging and insightful session.
- **Flutter Basics:** Cavin delved into the fundamentals of Flutter, elucidating its features and diverse applications in the realm of app development.
- **Hands-on Session:** A crucial aspect of the workshop included a hands-on session where participants actively engaged in practical exercises. Cavin guided them through the step-by-step process of Flutter development, covering essential aspects such as installation and account setup.
- **Widgets and UI Design:** The workshop explored the creative side of Flutter, focusing on widgets and UI design. Cavin provided practical demonstrations on creating visually appealing interfaces.
- **State Management:** A deep dive into Flutter's state management was a significant part of the workshop. Participants gained insights into various techniques to efficiently manage application state.
- **Interactive Q&A:** The session fostered an interactive environment, allowing participants to pose questions and seek clarifications. Cavin addressed queries, creating a dynamic and engaging learning atmosphere.
- **Conclusion:** Cavin summarized key takeaways, emphasizing the crucial role of Flutter in modern app development. The session concluded with gratitude extended to the speaker for sharing valuable insights.

Audience Participation:

The workshop witnessed active participation from 120+ students, showcasing the enthusiasm and interest of the CodeHives (Git-Hub club) GEC Patan community in staying abreast of the latest developments in technology.

Glimpse of the Event

Electronics and Communication Department

Event : An Expert talk on "Motivational Session by Start up Expert on A Smart Home Automation Venture by Zavx"

Date: 21/10/2023

Time: 11:00 AM to 12:30 PM

Platform: Google Meet

Objectives of Event:

Institution Innovation Council (IIC) an Initiative of MHRD for selected Higher Education Institutes. Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs) Which helps in planning, channelizing and organising round the year activities in the areas of innovation, entrepreneurship and IPR to sensitise and motivate students and faculties to pursue innovation and start-up during their academic.

Electronics and Communication Department has organised Impact Lecture on "Motivational Session by Start up Expert on A Smart home automation venture by Zavx " by an Expert Hiren Patel Ex.Assistant Professor of ECE Department , SVIT Vasad and Start up Enterprenure of Zavx.

We have organised program at 21st October 2023 Saturday in the time duration of 11:00 A.M. to 12:30 P.M. by virtual mode of Google Meet. We have invited the student from all department and they have participated in the program. Speaker has given a so much valuable tips to student regarding Automation in Different Home Appliances , student start-up program.Students have interacted with the speaker eagerly and encouraged to do the needful in the area of Automation and Start-up for having golden opportunity in Career growth.

TECHNICAL OPEN HOUSE

“Technical open house to explore the technical abilities of the student”

Event Organized on Date: 13/10/2023

Under the visionary leadership of Honorable Principal Dr. ANAND B. DHARUV, Government Engineering College, Patan successfully organized ONE DAY OPEN HOUSE ON “TECHINNOVA_2023” at Government Engineering College, Patan on 13th October 2023. The open house aimed to bring together the students of all engineering department from the institute and surrounding colleges to share their technical ideas with each other, also discuss the current trends of technical advancement in various field of an engineering, which will definitely boost the technical and creative part of student in order to meet the challenges ahead in technology.

Guidance to Students

Conclusion

- As the event was aimed to aware the students about recent advancement in technical education and we successfully meet the prerequisite of the event at the end of day. Any technical institution must focus in the direction, where we can invoke the technical capability of students. This was our small but important step toward that direction.
- This time we introduced one new concept, that senior students can also put their projects for better exposure before expert and faculties to incorporate advance inputs in their projects. We got good response in that direction and hope for still more intensify response from senior students in upcoming open houses.
- Students from all the branches (Computer Science & Engineering, EC, Electrical 1st Semester) participated with great enthusiasm and presented their creative ideas before the experts and faculties. At the end of day, participant felt confident and enrichment of advance knowledge that itself reflect the grand success of event.

2. FACULTY ACTIVITIES

A. PROGRAMS PARTICIPATE BY FACULTIES

Electronics and Communication Department

| Sr. No | Training | Name of faculty | Place | Duration |
|--------|---|--------------------------|-----------------------|-----------------------------|
| 1 | Embedded Linux | Prof. Sanjay D. Joshi | LDCE Ahmedabad | 18-12-2023 to 22-12-2023 |
| 2 | Yoga and Positive Psychology for Managing Career and Life | Prof. Mihir M. Patel | Mooc (IIT Bombay) | 21-8-2023 to 13-10-2023 |
| 3 | Yoga and Positive Psychology for Managing Career and Life | Prof. Maulik B. Patel | Mooc (IIT Bombay) | 21-8-2023 to 13-10-2023 |
| 4 | Digital Image Processing | Prof. Shyam A.Pankhaniya | Mooc (IIT Madras) | 24-07-2023 to 13-10-2023 |
| 5 | The Science of Happiness and Wellbeing | Prof. Mehul L. Patel | MOOC (IIT Madras) | 21-8-2023 to 13-10-2023 |
| 6 | Yoga and Positive Psychology for Managing Career and Life | Prof. Mehul L. Patel | Mooc (IIT Bombay) | 21-8-2023 to 13-10-2023 |
| 7 | Semiconductor Technology and Manufacturing (with Hands-on Training) | Prof. Mehul L. Patel | (IIT, Bombay) | 21-8-2023 to 13-10-2023 |

Applied Mechanics Department

| Sr. No | Training | Name of faculty | Place | Duration |
|--------|--------------------------------|----------------------------|----------------------|-----------------------------|
| 1 | Admixture and Special Concrete | Dr.Pareshkumar N. Nimodiya | MOOC (IIT Madras) | 24-07-2023 to 13-10-2023 |
| 2 | Admixture and Special Concrete | Dr. Jigneshkumar M. Patel | MOOC (IIT Madras) | 24-07-2023 to 13-10-2023 |

Computer Science & Engineering Department

| Sr. No | Training | Name of Faculty | Place | Duration |
|--------|---|-------------------------|---------------------|--------------------------|
| 1 | Leveraging Ai For Healthcare Delivery System | Prof. Adesh V Panchal | LDCE Ahmedabad | 18-12-2023 to 23-12-2023 |
| 2 | Introduction To Machine Learning | Prof. Viral B Pansiniya | Mooc (IITKanpur) | 24-07-2023 to 15/09/2023 |
| 3 | Introduction To Machine Learning | Prof. Sachin H Makwana | Mooc (IIT Kanpur) | 24-07-2023 to 15/09/2023 |
| 4 | Introduction To Machine Learning | Prof. Haresh D Chande | Mooc (IIT Kanpur) | 24-07-2023 to 15-09-2023 |
| 5 | Advance Algorithms | Prof. Yogesh B Patel | Mooc (IIT Madras) | 24-07-2023 to 15-09-2023 |
| 6 | Database Management System | Prof. Hiral Y Rathod | Mooc (IITKharagpur) | 24-07-2023 to 15-09-2023 |
| 7 | Cyber Threat Intelligence And Digital Forensics | Prof. Hiral Y Rathod | GTU | 12-09-2023 to 16-09-2023 |

Mechanical Engineering Department

| Sr.No. | Training | Name of faculty | Place | Duration |
|--------|--|-------------------------|-------------------|--------------------------|
| 1 | Alternate fuels and Electric vehicle | Prof. (Dr.) D.K.Patel | LD C E Ahmedabad | 18-12-2023 to 23-12-2023 |
| 2 | Alternate fuels and Electric vehicle | Prof. (Dr.) K.V. Patel | LDCE Ahmedabad | 18-12-2023 to 23-12-2023 |
| 3 | Exploring Measurment and Control in Robotics Using Arduino and IoT Devices | Prof. (Dr.) N. A. Patel | IITRAM | 31-7-2023 to 04-08-2023 |
| 4 | Yoga and Positive Psychology for Managing Career and Life | Prof. (Dr.) H.N.Panchal | Mooc (IIT Bombay) | 15-08-2023 to 10-10-2023 |
| 5 | Yoga and Positive Psychology for Managing Career and Life | Prof.(Dr.) K.V.Patel | Mooc (IIT Bombay) | 15-08-2023 to 10-10-2023 |

Electrical Department

| Sr.No. | Training | Name of faculty | Place | Duration |
|--------|---|-----------------------|-------------------|-------------------------|
| 1 | Yoga and Positive Psychology for Managing Career and Life | Prof. Pravin D. Patel | Mooc (IIT Bombay) | 21-8-2023 to 13-10-2023 |
| 2 | Solar PV Installers | Prof. S.G Prajapati | GPERI, Mahesana | 1/11/2023 to 7/11/2023 |

B. PAPERS PRESENTED/PUBLISHED

Electronics and Communication Department

- Dr. Haresh L. Judal has presented the paper on “ Key Enabling Technology for Next Generation Wireless System” at VSPICE in the duration 19th to 20th December 2023.
- Dr. Haresh L. Judal has and presented the Paper Titled" Next Generation Technologies for 5G and Beyond Networks: Overview, Recent Trends, and Challenges" at the 3rd International Conference on “Women in Science & Technology: Creating Sustainable Career” organized by Birla Vishvakarma Mahavidyalaya during 28-30 December, 2023.
- Dr. Jayesh C. Prajapati has published the paper on “Performance Analysis of 8 * 112 Gbps (0.896 Tbps) WDM ROF Link Using 32 QAM – OFDM Modulation Scheme for Achieving Extended Range “ in Journal of Optics and Photonics Research DOI: 10.47852/bonview JOPR42021712 Accepted: 22 December 2023.

3. STUDENT ACTIVITIES

Mechanical Engineering Department

- "Quint Cargo", A Team from 7th Sem Mechanical Department from Government Engineering College, Patan, was selected by All India Council of Technical Education (AICTE) for National Level 'Bharat Cycle Design Challenge 2023' organized by 'NammaNimma Cycle Foundation'. From total of 700 entries 16 Teams were shortlisted in different category Like Cargo Cycle, Cargo EV, Commute Cycle, Commute EV. Team was shortlisted under Cargo EV. AICTE provided 40,000 Rupees as Seed fund to prepare prototype. Team successfully completed a prototype and on 4th November team participated for exhibition in Bangalore's Chanakya University. AICTE Chairman Prof. T.G Sitharam were also present at exhibition. Only team selected from Gujarat, Proud moment for Patan.

4. NATIONAL SERVICE SCHEME (NSS) ACTIVITY

[1] “Cleanliness Drive (3.0)” organized on 23 October 2023.

DAY 1: Nr. Surroundings of Electrical Department

As we know 2nd of October is celebrated as Gandhi Jayanti in India. As a part of tribute to our beloved Late Shri Mohandas Karamchand Gandhi popularly known as Mahatma Gandhi a Project named Swachh Bharat was launched by honourable Government of India and this year a initiative to give Swachhanjali to Mahatma Gandhi was taken and whole October month was decided to take a cleanliness drive for keeping our surroundings clean and healthy.

As a part of same Swachhta (3.0) drive was started from 23of October to 28 of October in which NSS Volunteers of our institutetook a initiative to clean college campus and surroundings in this drive,in which around 45 NSS Volunteers and Faculties joined together andcleaned the premises and compound of Electrical Department of college on the 1st day of the drive. All volunteers and faculties cleanedthe area with full interest and hard-work and were dispersed with angreat enthusiasm within them.

Major Outcomes of The Event

- Students and faculties got aware of Swachhta 3.0 drive and importance of cleanliness around us by this.
- Also we got to know about noble ideology of great personality Mahatma Gandhi.

Glimpse of the Event

[2] “Swachhta (3.0) ” organized on 24th October 2023.

DAY 2: Nr. Surroundings of Computer Department.

As a part of Swachhta (3.0) drive, Our NSS volunteer has started this cleanliness drive from 23rd October to 28th October which took a initiative to clean college campus and surroundings. On the 2nd day of this drive, Around 45 NSS Volunteers and Faculties joined together and cleaned the premises and all the classrooms of Computer Department. All volunteers and faculties cleaned the area with full interest and hard-work and were dispersed with a great enthusiasm within them.

Major Outcomes of The Event

- Students and faculties understand the importance of cleanliness around us by this swachhta Abhiyan.
- We spread the awareness of cleanliness in various department within the campus of our institute.

Glimpse of the Event

[3] “Cleanliness Drive (3.0)” organized on 25 October 2023.

DAY 3: Nr. Surroundings of Civil Department

As a part of same Swachhta (3.0) drive was started from 23 of October to 28 of October in which NSS Volunteers of our institutetooka initiative to clean college campus and surroundings in this drive,in which around 45 NSS Volunteers and Faculties joined together andcleaned the premises and compound of Civil Department ofcollege on the 3" day of the drive. All volunteers and faculties cleanedthe area with full interest and hard-work and were dispersed with angreat enthusiasm within them.

Major Outcomes of The Event

- Students and faculties got aware of Swachhta 3.0 drive andimportance of cleanliness around us by this.
- Also we got to know about noble ideology of greatpersonality Mahatma Gandhi.

Glimpse of the Event

[4] “Cleanliness Drive (3.0)” organized on 26 October 2023.

DAY 4: Nr. Surroundings of Electronics & Communication Department

As a part of same Swachhta (3.0) drive was started from 23 of October to 28 of October in which NSS Volunteers of our institute took a initiative to clean college campus and surroundings in this drive, in which around 45 NSS Volunteers and Faculties joined together and cleaned the premises and compound of Electronics & Communication Department of college on the 4th day of the drive. All volunteers and faculties cleaned the area with full interest and hard-work and were dispersed with an great enthusiasm within them.

Major Outcomes of The Event

- Students and faculties got aware of Swachhta 3.0 drive and importance of cleanliness around us by this.
- Also we got to know about noble ideology of great personality Mahatma Gandhi.

Glimpse of the Event

[5] “Cleanliness Drive (3.0)” organized on 27th October, 2023.

DAY 5: Nr. Surroundings of Mechanical Department

As a part of same Swatchta (3.0) drive was started from 23rd October to 28th October in which NSS Volunteers of our institute took a initiative to clean college campus and surroundings in this drive, in which around 39 NSS Volunteers and Faculties joined together and cleaned the premises and compound of Mechanical Department of college on the 5th day of the drive. All volunteers and faculties cleaned the area with full interest and hard work and were dispersed with an great enthusiasm within them.

Major Outcomes of The Event

- Students and faculties got aware of Swatchta 3.0 drive and importance of cleanliness around us by this.
- Also we got to know about noble ideology of great personality Mahatma Gandhi.

Glimpse of the Event

[6] “Cleanliness Drive (3.0)” organized on 28th October 2023.

DAY 5: Nr. Surroundings of GEC Patan Admin block

The volunteers cleaned the admin block and its surroundings, collected and segregated the garbage, and disposed it off in a proper manner. They also painted and branded the litter bins, public toilets, and other sanitation assets in the area. The event was inaugurated by the Principal of the college, who appreciated the efforts of the NSS unit and encouraged them to continue their service to the society. The event was a success and received positive feedback from the participants and the authorities. The NSS unit also pledged to participate in more such activities in the future and contribute to the goal of a Garbage Free India.

Major Outcomes of The Event

- The event enhanced the cleanliness and hygiene of the admin block and its surroundings, which improved the working environment and the aesthetic appeal of the college campus.
- The event raised awareness among the students and staff about the importance of sanitation and waste management

Glimpse of the Event

[7] “Corruption Free India “organized on 1st November, 2023.

As a Vigilance Awareness week was going, under that Unit of NSS GEC Patan had organized a Corruption Free India event. On 1st November NSS Volunteers had organized this event in which professor, students and all the NSS Volunteers had actively taken the participation. The speech competition on Corruption Free India was organized through which awareness about how the corruption is spreading in all the fields now a days and also what is our role as an individual to stop the corruption and what steps should we take to stop the corruption were discussed.

After the speech of all the students winner names were declared then at last a pledge was given by all the students and professor that we will stop corruption and if we see someone giving encouragement to the corruption we will definitely stop them and take the strict action against them.

Major Outcomes of The Event

- Public Awareness about the detrimental effects of corruption increased.
- It gives encouragement in building a corruption free society.
- Students got the knowledge about how the corruption is spreading and their role to stop that.

Glimpse of the Event

[8] “Voting Awareness Program “ organized on 02nd November 2023.

On 2nd November 2023, NSS GEC PATAN had organized an event on voting awareness program. Due to this awareness program student had learnt importance of voting and its procedure.

This voting awareness program was conceptualized and initiated by Dr. Jayesh Modi, assistance professor of CSE dept. in HNGU . NSSGEC PATAN warmly welcomed every guest of the event. The broad objective of the program is to create a 'Awareness of voting ' and 'Importance of voting '. Mr. Dhaval Prajapati, Departee of Mamlatdar office had explained about uses and importance of 'Voter helpline app' in detail. He explained how to use voter helpline app. He also informed about why voting is necessary for nation and how it's useful for running nation in proper way. Voting is an important civic duty that can significantly impact the future of our country. Voting helps keep politician accountable for their actions and creates framework for our democracy.

They also asked for those who not have voter id card and native of Patan, then they will make voter ID for them, and then they will be eligible for voting in election. By voting, you can create change and make a difference in your community. Hence awareness program for students to help them understand the significance of voting in a democracy. By this way, an successful voting awareness program was ended with great guidance and awareness.

Major Outcomes of The Event

At the completion of voting awareness program all the audience have gained following points:

- Importance of voting.
- Procedure of making voter id card
- Learnt about voting help line app
- How vote priors?

Glimpse of the Event

[9] {A} “Swachta Hi Seva “ organized on 30th October 2023.

Electrical Department.

As we know 2nd of October is celebrated as Gandhi Jayanti in India. As a part of tribute to our beloved Late Shri Mohandas Karamchand Gandhi popularly known as Mahatma Gandhi a Project named Swachh Bharat was launched by honourable Government of India and this year an initiative to give Swachhanjali to Mahatma Gandhi was taken and whole October month was decided to take a cleanliness drive for keeping our surroundings clean and healthy.

As part of the Swachhta Hi Seva event, which commenced on October 30th and concluded on November 5th, NSS Volunteers from our institute took the initiative to clean the college campus and its surroundings. During this drive on 30th October, members of the Electrical department, including faculties and workers, came together to clean their offices and organize the department's documents on the first day of the event. All faculties and workers demonstrated a high level of enthusiasm and put in their best efforts to clean the area.

Major Outcomes of The Event

- Students and faculties got aware of Swachhta Hi Seva event and importance of cleanliness around us by this.
- The concerted efforts of NSS Volunteers, faculties, and workers led to a noticeable improvement in the cleanliness of the college campus and its surroundings.

Glimpse of the Event

{B} “Swachta Hi Seva “ organized on 1st November 2023 .

Electronics and Communication Department

Under Swachhta Hi Seva, On 1st November, 2023, NSS Volunteers and faculty took a vow to clean our surroundings. We started with cleaning our campus and on 2nd day of drive we decided to clean E.C. department. We went to the E.C Department we cleaned the department and professors also joined us in this drive. They cleaned their cabins and faculty office, classrooms and labs helping us to clean department. Our volunteer joyfully cleaned the surrounding with the help of workers/cleaners and Faculties. Some of the students from department also joined us to clean surrounding. They were happy and inspired by NSS Team works.

After cleaning the area, volunteers, Students and professors washed their hand properly and sanitized. Our Principal and H.O.D appreciated our work. After this H.O.D sir called all the students and volunteer present there in the department and gave the speech on importance of clean surrounding and nation and also asked us to clean & maintain it daily.

Major Outcomes of The Event

- We learned how to work in team.
- Importance of CLEAN SURROUNDING in our life.
- We learn to protect ourself from disease caused by surrounding garbage and trash.
- We learn importance of cleanliness for development of nation.

Glimpse of the Event

{C}“Swachta Hi Seva “ organized on 2nd November 2023 .

Computer Science Department

As we know 2nd of October is celebrated as Gandhi Jayanti in India. As a part of tribute to our beloved Late Shri Mohandas Karamchand Gandhi popularly known as Mahatma Gandhi a Project named Swachh Bharat was launched by honorable Government of India and this year an initiative to give Swachh Janji to Mahatma Gandhi was taken and whole October month was decided to take a cleanliness drive for keeping our surroundings clean and healthy.

As a part of same Swachhta Hi Seva drive was started from 30th of October to 4th of November in which NSS Volunteers and faculties of our institute took an initiative to clean Staff rooms, Classrooms and labs in this drive, in which around 20 NSS Volunteers and Faculties joined together and cleaned the staff cabins, labs and compound of Computer Science Department of college on the 4th day of the drive. All volunteers and faculties cleaned the department with full interest and hard-work and were dispersed with a great enthusiasm within them.

Major Outcomes of The Event

- Students and faculties got aware of Swachhta Hi Seva drive and importance of cleanliness around us by this..
- Also we got to know about noble ideology of great personality Mahatma Gandhi and information on Swachh Bharat Abhiyan.

Glimpse of the Event

{D}“Swachta Hi Seva “ organized on 3rd November 2023.

[10]“National Integration Camp – 2023 Shri Govindguru University, Godhra“ organized on 2nd November 2023 – 8th November 2023.

National Integration Camp is organized by National Service Scheme aiming at fostering a feeling of national integration and a greater understanding of various cultures by the youth of the country.

NICs gives youth exposure to different traditions and culture of people living in India. As a result, youths can understand that ‘Unity in Diversity’ is surely possible and can take steps towards making this dream a living reality. This teaches youth how to easily adapt to different types of people having different traditions, languages, and religions.

These camps help build ‘Ek Bharat, Shreshta Bharat’ where there will be unity and peace between various states having different cultures, where everyone becomes part of the solution, and not the problem.

This year NIC was arranged at Shri Govind Guru University, Vinzol, Godhra, Gujarat from 2nd November 2023 to 8th November 2023 which was sponsored by Government of Gujarat, Gujarat State - NSS cell, Higher Education Department, Gandhinagar.

The students from different states like Rajasthan, Karnataka, Gujarat, Odisha, Maharashtra, Chhatisgarh, West Bengal, Telangana, were invited to attend this integration camp.

We all 10 volunteers namely Himanshu Parmar, Yaminesh Parmar, Amol Pawar, Pushp Rathva, Shrey Mehta, Maitri Patel, Bansari Patel, Hetvi Patel, Arpitakumari Gamit and Chhaya Muniya heartily thank GTU for giving us this opportunity.

DAY- 1 (2nd November 2023)

We reached Shri Govind Guru University at 10:30 am. We were welcomed very warmly. We had breakfast and went for our registration. We were given a kit consisting a diary, pen, identity card, t-shirt, scarf. We had some rest and went for lunch. For Inauguration, all the volunteers wore traditional clothes representing their states. The opening ceremony was chaired by Hon'ble Dr.KuberbhaiDindor with chief guest Mr Ratansinh Rathod (MP - Panchmahal), DrPratapsinh Chauhan (Vice Chancellor, Shri Govind Guru University), Hon'ble PBPandya (IAS), Dr. Kamalkumar kar (Regional Director, NSS Gujarat). They enlightened us with their wise words. They explained the importance of NICcamp. Also they introduced about "Adivasi Culture". They divided us into groups for daywise organization.
